Dear Valued Customer:

We have partnered with Community Bank of Bergen County to create *one bank*, committed to you, our customer, and the communities in which we serve.

We share *one vision* – to make strong connections with our customers, while continuing to offer new and innovative banking and financial products and services. We will never compromise. We will always strive to create an even better banking experience.

We are working on developing *one name* for this recently joined organization – a new name that not only captures the essence of the bank but paves the way for our future success, and yours.

We are putting the finishing touches on our new name, and with it, a new look. We plan to share both with you soon and wanted to let you know of these exciting changes on the horizon.

We encourage you to visit our website and step into our branches for more details as we work towards launching our new brand.

Of course, don't be fooled, beneath our shiny new exterior is the same bank that you have come to trust.

Best regards,
